Statement	My Value
The Tuesday Hospitality programme is a very important part of St. Luke's	
I would like to have more informality and a 'contemporary' feel in Sunday worship	
Selling baking and used goods after church helps build parish fellowship	
I love how the choir sings carefully prepared motets and anthems each week	
I know it is very expensive to maintain St. Luke's buildings, but it is worth it!	
I am very glad we built the elevator, and the proscenium "stage"	
I hope we always have an organist and choir as good as, or better, than we have now	
I wish the psalms and chants could be said or sung by the whole congregation	
Our support of orphans and education in Haiti and in Uganda is extremely important	
I would gladly help maintain the building by painting, cleaning, dusting, repairing	
I am glad we provide weddings and baptisms for all kinds of non-members	
I just want to come to church, without having to take part in a lot of extra activities	
I would like more emphasis on prayer, and healing ministry, at St. Luke's	
I would like children and teens to take part in the liturgy more than they do now
